**Subject:** 4th FOIA Request concerning Glyphosate CARC from Free Market Environmental Law Clinic  
[EPA-HQ-2016-006460 Free Market Environmental Law Clinic.pdf](#)

Here is the 4<sup>th</sup> FOIA request we received. In addition to the information/records concerning the Glyphosate CARC, they are also requesting substantial information on IARC.

Janet Bressant will be our lead on this request, as she is for the earlier requests. Janet is out of the office until Monday. We will send our initial response letters for these FOIA requests for comments within the next 7-10 days. We will give each requester an opportunity to narrow the scope their requests, which could allow for faster processing. As is the standard, when processing FOIA requests that cannot be closed within the initial 20 day time period; due to, their broad scope.

We will keep you informed.
